Made a Million, Lost a Million: Living the UAE Dream

Business 101: Fail, learn, fail better, succeed! Matt shares his attempt to 'copy and paste' a business from one market into another, why it didn't work, and how that failure made him a success.

Matt's entrepreneurial career began at 17 and has spanned the global arenas of music, events, retail and travel, working with rock legends, world leaders, royalty and industry trailblazers.

After 23 years in the events industry, XX on the board of ESSA, Matt sold his business for a new adventure in the B2C retail sector. XX years later, he again sought a new venture helping fledgling business expand rapidly through innovative customer engagement and value-added experiences.

An Infusionsoft Certified Partner with Jumpworks, Editor of LaunchPad Magazine, CEO & Founder of the Motorhome Holiday Co. and Non-Exec Director of multiple businesses, there's a 'down time' Matt, too.
